MEDIA INFORMATION

The press box at Perry Stadium is named in honor of long-time sports information director Don Cunningham. In Oct., 1992, the University honored Cunningham for 33 years of service to the athletic department in various capacities, the most lengthy as SID (1945-65). Cunningham also attended and graduated from BGSU ('43) and following his retirement in 1979 served as the curator of the BGSU Athletic Archives. Cunningham was inducted into the CoSIDA Hall of Fame in 1981. He passed away in June of 2000. In 2001, the Cunningham family established a scholarship in his honor to benefit students pursuing a career in sports information.

CREDENTIALS

Requests for working press credentials should be made to the BGSU Athletic Communications Office, addressed to the attention of J.D. Campbell. Requests should be made at least one week in advance. Late requests will be honored if space is available but parking cannot be guaranteed for requests less than one week in advance. Scouts and non-working media will be seated if space is available.

WEEKLY INFORMATION

Media members can access BGSU information via the internet at bgsufalcons.com. This is the official website for the BGSU Athletic Department. Weekly game notes and statistics will be updated regularly. A PDF version of releases and statistics can be e-mailed to those outlets which would prefer to receive this information on a regular basis. Please notify J.D. Campbell if you would like to be put on our primary media e-mail list.

MAC TELECONFERENCE

Coach Meyer will be available each Monday during the regular season on the weekly MAC Teleconference (10:10-10:17 a.m., Eastern). The number to call to join the teleconference is 913-981-5509.

WEEKLY LUNCHEON

Coach Urban Meyer will hold a weekly media luncheon and address the media each Tuesday at noon in the third floor suites located on the east side of Perry Stadium. All members of the media are welcome to attend. Out-of-town media should contact J.D. Campbell to schedule a phone interview with Coach Meyer.

PLAYER INTERVIEWS

All interviews with members of the team should be conducted at Coach Meyer's Tuesday media lunch. Players will be made available at 12:30 to those in attendance. Please allow at least 24 hours to set up interviews with players. Arrangements will be made for telephone and in-person interviews at a time that is mutually agreeable to the reporter/broadcaster and the athlete, should there be a scheduling conflict.

POST-GAME INTERVIEWS

Coach Meyer and BGSU players, as well as the opposition coach and players, will be available for post-game interviews in a conference room located between the two lockerrooms, following the normal cooling-off period. BGSU observes a closed locker room policy. The conference room is on the east side of the

stadium (opposite the press box), and can be entered through the tunnels at either the north or south end.

PARKING

A special media parking lot is located adjacent to Doyt L. Perry Stadium, near the southwest corner of the stadium. Access to the media lot is by Alumni Drive which connects Mercer Road (near the Alumni Center) and Wooster Street (near the Information Booth). Admission to the media lot is restricted to people holding the correct credential acquired from the athletic communications office. All media members are asked to enter the stadium through the press gate (Gate 2) at the southwest corner of the stadium.

PRESS GATE

The press gate (Gate 2) at Doyt L. Perry Stadium is at the southwest corner of the stadium, a short walk from the media parking lot.

NEW MEDIA FIELD POLICY

A general media pass will allow you access to the field during pregame warmups and during the final five minutes of the fourth quarter only. Field access will be limited to working photographers and television reporters. A limited number of general admission seats (end zone bleachers) are available for spouses, dates and children upon request.

PHOTOGRAPHERS

Photo passes for newspaper photographers, television videographers and, under special circumstances, for free-lance photographers, are available from the athletic communications office. Photo passes entitle the photographer access to the sideline, the post-game press conference room and the press box. Photographers must pick up an arm band in the press box prior to the game.

PRESS BOX SERVICES

Members of the media will be provided with game programs, flip cards, current statistics and last-minute pregame notes prior to the start of the game. Statistical summaries will include playby-play, quarter stats, halftime stats, complete team and individual stats and tackles. There are two telephones in the press box for use after the game.

RADIO & TELEVISION

Requests for permission to broadcast must be made in writing. Space will be made available for the official visiting radio station and student radio station on request. There is space in each booth for four persons. Phone lines can be ordered through J.D. Campbell. Anyone wishing to televise a game from Doyt L. Perry Stadium should contact the athletic communications office at least ONE MONTH prior to the game, and preferably before the start of the season.

DIRECTIONS TO DOYT PERRY STADIUM

Perry Stadium is located just off of I-75, the quickest and most convenient way to get to the stadium. Take exit 181 off of I-75 and go west on Wooster Street. The stadium will be visible from I-75. At the first traffic light on Wooster (Alumni Drive), turn right where an attendant will direct you to the media lot. I-75 is easily accessible from all directions.

Urban Meyer has quickly established himself as one of the top young head coaches in the country. The native of Ashtabula, Ohio took over the BGSU program in December of 2000 and engineered the top turnaround in NCAA I-A football during the 2001 season.

His first squad finished with an 8-3 record and placed second in the MAC's East Division with a 4-2 ledger. The Falcons also became the first MAC school to post wins over three BCS conference schools in a regular

season (Missouri, Temple, and Northwestern). In addition, BGSU knocked off two teams (Northwestern and Toledo) who were nationally ranked during the season and Brandon Hicks became the school's first defensive All-American since 1984. In addition, the Falcons doubled their home attendance in 2001.

For his efforts, Meyer was named the consensus 2001 MAC Coach of the Year. In addition, following the win at Missouri, we was named national coach of the week by ESPN.com.

AN IMPRESSIVE BACKGROUND

Meyer came to BGSU after serving as receivers coach at Notre Dame. In 2000, Notre Dame ranked among the nation's leaders in passing efficiency, committed the fewest turnovers in the nation and earned a BCS berth in the Fiesta Bowl. In addition, they boasted one of the top special teams units in the country, ranking third in kickoff returns, 10th in net punting and 12th in punt returns. The 1999 season saw Meyer's receiving corps break the Irish single-season record for pass receptions with 192 and total receiving yards with 2,858.

During 1998, Meyer coached split end Malcolm Johnson, who ended his career with 110 receptions, the seventh-highest total in school history. Johnson is now with the New York Jets. The previous year, Meyer coached Johnson and fellow receiver Bobby Brown as they became the first Irish pair of players to record 40 or more receptions individually in a season. Brown made 45 catches and Johnson had 42. In addition, the Notre Dame receivers helped set a then-single-season school record with 190 receptions.

In 1996, he coached a youthful Irish receiving corps and helped integrate those players with veteran quarterback Ron Powlus to contribute to a Notre Dame attack that produced the third-highest figures for total offense and scoring in Irish history.

Prior to heading to Notre Dame, Meyer coached at Colorado State from 1990-95. He helped the Rams to the 1994 Western Athletic Conference title and to Holiday Bowl appearances following both the 1994 (10-2 final record) and 1995 seasons (8-4). Colorado State finished 16th in the final Associated Press poll in '94.

In 1992, Meyer coached wide receiver Greg Primus, an All-WAC pick who finished as Colorado State's all-time leading receiver ending up with 192 career catches for 3,200 yards. That latter total ranked 10th on the NCAA's all-time yardage list. Meyer also helped Colorado State to the Freedom Bowl title following the 1990 season.

Meyer spent two seasons at Illinois State, coaching quarterbacks and receivers in 1989 and outside linebackers in 1988. He worked as receiver coach at Ohio State in 1987 and helped the Buckeyes to a Cotton Bowl win following the '86 campaign when he coached tight ends.

MEYER'S MENTORS

Meyer has worked for a number of the top head coaches in the country including Earle Bruce, Lou Holtz, Sonny Lubick and Bob Davie.

HIS RESPONSIBILITIES

During his time at Notre Dame, Meyer had served as special teams coordinator and developed and installed the Irish passing game. In addition, he has heavily recruited in areas such as Ohio, Florida, south Georgia, New Jersey, New York, and Pennsylvania.

A STRONG OHIO BACKGROUND

A 13th-round pick in the amateur baseball draft in 1982, Meyer played two years in the Atlanta Braves organization. He played as a defensive back at the University of Cincinnati before earning his degree in psychology in 1986. Meyer went on to earn a master's degree in sports administration from Ohio State in 1988.

Meyer was born July 10, 1964. He and his wife, Shelley, are parents of two daughters, Nicole and Gigi, and a son, Nathan. Meyer is a native of Ashtabula, Ohio, where he graduated from St. John High School.

He also has a tremendous grasp of the game, and possesses a great instinct for what it takes to be successful. I've really enjoyed watching his relationship with our players, wherein it is very obvious they have a great deal of respect for his inordinate abilities. BGSU PRESIDENT DR. SIDNEY A. RIBEAU

"What I want to see on the football field is excitement. But also the intensity and desire. Never giving up – win, lose, or draw. From everything we have heard, Urban can bring that to the program."

In his first season at BGSU, the Falcon offense showed tremendous improvement accumulating 124.46 more yards per game and 14.48 more points per game than the 2000 squad. Among MAC schools, the Falcons improved from 13th to fourth in total offense and

from 11th to third in scoring offense under his leadership.

BGSU set five school records on offense including total offensive plays in a game (100 vs. Kent State), individual receiving yards in a game (215, Robert Redd vs. Marshall), individual total offense in a game (498, Josh Harris vs. Northwestern), rushing yards by a quarterback in a game (148, Harris vs. Ohio), and individual receptions in a season (72, Redd).

He joined the Falcons after spending two seasons at Colorado under Gary Barnett, where he coached the receivers and kickoff return both years and was the team's passing game coordinator in 2000 and recruiting coordinator in 1999.

Brandon, 46, played football for Barnett at Air Academy High School in Colorado Springs, and stayed in close touch with him throughout the years. When Barnett was hired as head coach at Northwestern in 1992, Brandon joined the Wildcat staff as re-

ceivers coach. He was also Northwestern's recruiting coordinator for his last two seasons there (1997-98). In his seven seasons at Northwestern, Brandon assembled an extremely talented group of receivers, including D'Wayne Bates, the second all-time leading receiver in Big Ten history. Bates was a semifinalist for

the Biletnikoff Award and an All-America candidate. Brandon played collegiately as both a defensive back and wide receiver at Mesa State (1974) and Northern Colorado (1975-77). He graduated from UNC in 1978 with a bachelor's degree in education, and began his coaching career that fall as head football coach at Ellicott (Colo.) High School. He spent three seasons there (1978-80) before joining the college ranks at Weber State, where he would coach the next six seasons (1981-86). He coached the tight ends and special teams in his first four seasons, the linebackers in his fifth year and the receivers and tight ends during his final year in Ogden. He was then named receivers coach at Wyoming, where he would work the next four years (1987-90). During his tenure with head coach Paul Roach, the Cowboys posted a 35-15 record, including a 16-0 run in Western Athletic Conference play in 1987 and 1988, and played in three bowls ('87 and '88 Holiday and '90 Copper). In 1991, he returned to Utah where he coached the linebackers for one season (1991) at Utah State.

He was born Feb. 29, 1956, in Tucson, Arizona, and is married to the former Robyn Mitchell. They are the parents of two sons, Nicholas (18) and Timothy (10).

THE FALCON OFFENSE QUARTERBACK

Josh Harris (6-3, 225, Jr.) Andy Sahm (6-6, 225, 5-Sr.)

HARRIS TOOK CONTROL

Junior Josh Harris burst on the national scene late in the 2001 season and led the Falcons to a 4-0 record in games he started.

Once Josh Harris was named the starting quarterback against Ohio, he put on an impressive display during the final three games of the season. In leading BGSU to three significant victories, Harris proved he could be one of the most versatile quarterbacks in the country.

In three games, he ran for 361 yards and four TDs, threw for 826 yards and eight TDs, and caught one pass for a 14-yard TD.

Harris led the Falcons in rushing with 614 yards and eight TDs and completed 60.9 percent of his

passes. He threw for 1,022 yards and connected on nine TD passes.

Senior Andy Sahm ranked fourth in the MAC in passing efficiency with a 126.1 quarterback rating.

SAHM WILL CHALLENGE

Senior Andy Sahm will continue to fight for the top signal-caller's job. In 31 career games at BGSU, Sahm has completed 57.5 percent of his passes and thrown for 3,904 yards and 26 TDs.

Sahm started seven of the first eight games of the 2001 season and ranked fourth in the league in pass efficiency (126.1) and ninth in passing yards per game (132.6). He completed a careerbest 61.6 percent of his passes last season.

RUNNING BACK

Joe Alls (5-10, 190, 5-Sr.)

Godfrey Lewis (5-9, 190, 5-Sr.)

B.J. Lane (5-10, 195, r-Fr.)

ALLS AND LEWIS PROVIDE EXPERIENCE

With seniors Joe Alls and Godfrey Lewis in the backfield, the Falcons boast more than 2,600 career rushing yards, 16 TDs and a 4.2 yards-per-carry average.

Alls was second on the team with 553 yards and three TDs last season. He boasted 100-plus-yard rushing efforts at Missouri and at Marshall. Lewis has yet to equal the success he had his first two years with the Falcons and is looking to be healthy for the first time in two years. He rushed for a career-best 753 yards as a freshman in 1998. Lane was impressive in the spring game rushing for 77 yards on 18 carries, including a long of 24 yards. The Falcons also hope that Kentucky transfer Martez Johnson (249 yards in 2001) can be an impact performer.

Senior Joe Alls hopes to provide BGSU with its first 1,000-yard rusher since 1993.

Four of five starters return up front for the Falcons. Seniors Jon Mazur (center), Dennis Wendel (left tackle), and Greg Kupke (right guard) will lead the group along with sophomore Scott Mruczkowski (left guard). Junior James Williams has the inside track on filling the void left by the graduation of right tackle Malcolm Robinson, but JC transfers Jesus Yanez and Vardan Mkhitarian along with redshirt freshman Rob Warren, junior Ryan Lucas and sophomore Andy Wenstrup give the Falcons ample depth. Last year, this group helped the Falcons reduce their sack total from 51 to 23 and produce a 125-yard improvement in total offense.

Seniors Greg Kupke (66) and Jon Mazur (72) are two seniors who look to lead the offensive line.

Redshirt freshmen Mitchell Crossley (an early favorite to start at end), Mike Thaler (nose guard), Pascal Kokke (defensive end) both look to have an impact in their first season of action, as does junior Luis Llamas.

THE MID-AMERICAN CONFERENCE

In its 56th year of existence, the Mid-American Conference has grown and developed into one of the most aggressive and progressive conferences in the country.

The MAC continues to lead by example to provide its student-athletes and the member institutions with the best possible opportunities.

Since 1946, the MAC has not only stood the test of time, but has flourished into forming a league that its founders could not have imagined or dreamed of.

Based in Cleveland since July 1999 following a 15-year stay in Toledo, Ohio, the MAC has been in the forefront of national legislation that has enhanced the academic integrity of intercollegiate athletics. The MAC strengthened admittance standards, established an academic progress rule and set increased gradepoint-average requirements long before the NCAA adopted or discussed implementing such academic standards.

Under the direction of Rick Chryst, the seventh commissioner in the history of the conference, the MAC is coming off one of the most productive years both on and off the playing fields.

In the spring of 2001, the MAC guaranteed for the first time in the league's storied history that a second football team will attend a post-season bowl game. Beginning last December, the MAC sent a representative to the GMAC Bowl in Mobile, Ala., in addition to a team attending the Motor City Bowl in Pontiac, Mich. The Motor City Bowl moves to Ford Field in downtown Detroit in 2002.

The MAC also became a non-voting member of the Bowl Championship Series (BCS), a step to include the conference in future discussions regarding the sport.

Last year, for the third time in league history, both the men's and women's basketball tournaments were held in Cleveland with each event drawing eight institutions to Gund Arena.

The MAC is in its third year of a television agreement with ESPN. Announced on June 9, 2000, the deal features over 30 football and men's basketball appearances over the terms of the deal, which ends in 2003. Highlighting the programming agreement are exclusive national rights to both the MAC Football Championship Game and the MAC Men's Basketball Championship Game, as well as a minimum of five regular-season football games and nine regular-season basketball appearances over the three years.

ances over the three years.

In the first year of the television deal, the MAC played its first-ever over-the-air broadcast on ABC — the MAC Football Championship game — and also made nine national appearances on ESPN, ESPN2 and ABC.

The Mid-American Conference was founded as a five-school league on February 24, 1946 in Columbus, Ohio with Ohio, Butler, Cincinnati, Wayne State and Western Reserve admitted as charter members.

The Mid-American Conference, which now has 13 schools, consists of the University of Akron (joined in 1992), Ball State University (1973), Bowling Green State University (1952), University at Buffalo (1998), Central Michigan University (1971), Eastern Michigan University (1971), Kent State University (1951), Marshall University (1954-69, 1997), Miami University (1947), Northern Illinois University (1975-86, 1997), Ohio University (1946), University of Toledo (1950) and Western Michigan University (1947).

The University of Central Florida was added as a football-only member in 2001, and begins MAC football competition in 2002

With the addition of two schools in 1997 and a third in 1998, the conference, which is the nation's largest I-A league, divided into two divisions - East and West - for competition in six sports. The East consists of Akron, Buffalo, Central Florida (football only), Kent State, Marshall, Miami and Ohio. The 2002-03 aca Ömic year sees Bowling Green move to the West Division, which also includes Ball State, Central Michigan, Eastern Michigan, Northern Illinois, Toledo and Western Michigan.

The member institutions have a total enrollment of better than 275,000, with individual enrollments ranging from 16,000-30,000. The MAC's overall enrollment makes it the fourth-largest conference in the United States. The schools'

alumni number over 1.7 million.

The MAC was the first Division I-A conference to have its own Hall of Fame, and began honoring its tradition in 1988 with a Hall of Fame. From 1988 to May of 1994, a total of 52 individuals were inducted into the MAC Hall of Fame.

Over its 55-plus years, the MAC has produced a long list of great athletes and coaches from all corners of the sports world. The list includes Olympic gold medalists, Major League Baseball, NFL and NBA standouts, PGA standouts, national-caliber game officials and Hall of Fame coaches and players.

The MAC is a presidentially controlled conference, where all major policy decisions are made by the Council of Presidents, which consists of chief executive officers of the universities

In 1946, men's basketball was the first competitive sport in the MAC, which now sponsors a total of 23 sports. Women's sports were brought into the conference's structure in 1980.

For men, championships (11) are sponsored in football, basketball, baseball, cross country, soccer, swimming and diving, indoor track and field, outdoor track and field, wrestling, golf and tennis.

For women, championships (12) are sponsored in basketball, softball, volleyball, cross country, field hockey, golf, soccer, swimming and diving, gymnastics, indoor track and field, outdoor track and tennis.

New Ford Field - Home of the Motor City Bowl

MOTOR CITY BOWL

The Motor City Bowl will feature teams from the Mid-American Conference and the Big Ten.

The sixth edition of the bowl game will be played Dec. 26, 2001, at 5 p.m. at the new Ford Field. The contest will be broadcast live on ESPN.

Under the direction of former Michigan State University head football coach George Perles, the Motor City Bowl has teamed with the MAC since the Bowl's inception in 1997 to feature some of the nation's top players in a highly competitive postseason environment.

Perles, the bowl's Chief Executive Officer, and Ken Hoffman, Executive Director, have secured sponsorship from the Big Three Automakers – Ford, Daimler Chrysler and General Motors.

The MAC and the Motor City Bowl have a perpetual contract assuring the conference and the Bowl of an affiliation for as long as the bowl and the conference both exist.

Played at the new Ford Field, also home of the National Football League's Detroit Lions, the Motor City Bowl is easily accessible to MAC fans and alumni.

GMAC BOWL

With 2002 marking its fourth season, the GMAC Bowl (previously the Mobile Alabama Bowl), has an agreement with the Mid-American Conference to provide a team from the league to face the No. 2 choice from Conference USA in the annual post-season holiday bowl game.

The inaugural Mobile Alabama Bowl in 1999 featured TCU stopping East Carolina 28-14. In the 2000 contest had the Horned Frogs dropping a 28-21 decision to Southern Miss before a capacity crowd of 40,600. Last year, Marshall rallied froma 30-point deficit to edge East Carolina, 64-61 in double overtime in the highest scoring game in bowl history.

The Falcons' 194 yards rushing was the most since they gained 293 against Ball State in 1999.

BGSU had five first downs on the 13-play, 80 yard TD drive in the first quarter. In the Falcons' last trip to Mizzou (a 37-0 Tiger win on 9-5-98), BGSU had just four first downs and 56 total yards of offense in the entire game.

Freshman James Hawkins had his first career reception in the third quarter. Cole Magner, like Hawkins a true freshman, caught passes on back-to-back plays in the fourth quarter for his first career catches. Sophomore Craig Jarrett also had his first career catch, a 15-yard effort late in the final quarter.

Sophomore Janssen Patton's interceptions in the fourth quarter were the fifth and sixth of his career. Patton's multiple-interception game was his second as a Falcon, the first coming at Kent State in 2000 (three picks in that win). He was honored as MAC East Division Defensive Player of the Week for his efforts in both games.

Junior **Joe Alls** broke the 100-yard mark for the third time in his career and for the first time since going for 155 against Ball State in November of 1999. He rushed for 107 yards against Missouri after gaining just 191 in all of 2000.

Senior defensive tackle **Brandon Hicks** scored the second touchdown of his career on a 31-yard interception return early in the third quarter. Hicks' previous TD was a 20-yard fumble recovery return vs. Ball State (Nov. 13, 1999). Hicks also had three tackles for a loss, two sacks and two quarterback hurries.

Sophomore cornerback Janssen Patton returned a kickoff 42 yards for a touchdown. Patton's kickoff return for a score was the team's first since Leon Wethersby turned the trick vs. Western Michigan on Oct. 11, 1997. He caught eight balls in back-to-back games vs. Kent and Toledo in 1999. Redd's yardage total marked the fifth time in his career that he had 100 or more receiving yards in a game. Junior **Andy Sahm's** total of 264 yards was the second highest of his career. His previous high total was 302 yards, amassed in his first collegiate start (a 1999 win over Toledo). Sahm now has five career games with over 200 yards.

Sahm's 59-yard completion (to Redd) in the second quarter was the longest of his Falcon career topping his previous best, a 54-yarder to **David Bautista** vs. Ohio last year. Junior **Joe Alls** recorded a game high 107 yards rushing. The 100-yard effort was his second this season and the fifth of his career. Redshirt freshman **Shaun Suisham** made his first field goal as a collegian, and BGSU's first three-pointer of the year, with a 28-yarder in the second quarter.

Senior Khary Campbell's touchdown was the second of his career. Campbell, who returned a Byron Leftwich fumble for a score, returned an interception for a TD in last year's game vs. Ohio. Senior nose tackle Brandon Hicks had a career-high three sacks against the Herd.

RECEIVING: Schifino, Jake 4-71; Cherry, Matt 2-46; Ritley, Tim 2-20; Brake, Mike 2-18; Zuercher, Matt 1-24.

Game Notes:

The Falcons are now 3-2 at the Rubber Bowl since Akron joined the MAC in 1992. The Falcons held Akron to 18 yards rushing in the second half on 15 carries and 85 yards on 35 carries for the game marking the seventh straight game that BGSU has held its opponent under 100 yards rushing

Since 1999, BGSU is 11-6 when it accomplished that feat and 1-11 when an opponent rushes for more than 100 yards as a team. BGSU entered the game ranked 5th in the country in rush defense, while Akron averaged 175 yards a game on the ground.

This was the fourth time in 15 games (2000-Kent State, Eastern Michigan, 2001-Buffalo, Akron) that BGSU's defense has not allowed a touchdown. **Brandon Hicks** had the team's first safety since Joe O'Neill recorded one in 1996 against Ball State. The Falcons tied a season-best with three interceptions.

Freshman cornerback **Keon Newson** started his first game and led the team with nine tackles. He recorded his first career interception and made a game-saving tackle at the two-yard line on fourth down to keep the Zips from tying the game. Sophomore **Janssen Patton**, who is on the watch list for the Jim Thorpe Award, intercepted his fourth pass of the season and eighth of his career. Senior free safety **Sergio Lund** picked off his first career pass. Freshman **Cole Magner** saw his most extensive action of the season at quarterback and rushed for 86 yards, including a 38-yard TD. Junior **Robert Redd** had a team-high eight catches for 70-yards and a TD giving him 36 receptions for 457 in the last four games.

Game Notes

The Falcons posted their second shutout of the season (Buffalo, 35-0). It was the first time since 1994 (3 times) that BGSU has shut out more than one opponent in a season.

The Falcon defense also held Ohio to a season-low 140 yards of total offense.

The Falcon offense (400 yards) topped the 400-yard mark for the third time this season. BGSU had a season-high 244 yards rushing.

Josh Harris posted career-highs in total offense (304), rushing (148), and passing (156). He set a BGSU quarterback record for rushing yards (148) and became the first Falcon signal-caller to eclipse the 100-yard rushing mark since Mike Wright had 131 against Toledo in 1978. Only two other Falcon QB's have rushed for more than 100 yards (Don Nehlen, 105 vs. Baldwin Wallace, 1956 and Jim Bryan at Kent State, 1954).

It was Harris' second 100-yard rushing effort. He gained 103 against Miami last season as a tailback.

Karl Rose picked off a career-high two passes and now has seven for his career. Khary Campbell forced and recovered his MAC-best fifth fumble of the season. Kurt Gerling caught four passes to extend his streak to 39 consecutive games with a reception. He had his team-leading 18th career TD and had a season-high 54 yards receiving.

The Falcons won in Athens for the first time since 1993, and have won three games on the road for the first time since 1995.

Game Notes:

The 29 points in the final 15 minutes was the most for the Falcons since they scored 31 against Ball State in a quarter in 1994. The 1,242 yards of combined total offense set a new MAC record breaking the old mark of 1,227 set by Kent State and Central Florida in 1997. The 183 plays by both teams is the second most in MAC history (Ohio and Ball State, 186 in 1985). **Cole Magner's** game-winning two-point conversion was the first two-point attempt for the Falcons this season. Magner also threw his first career TD pass. The Falcons notched additional season-bests in total offense (618), yards passing (472) and first downs (32).

The Falcons' 618 yards of total offense was their best output since they had 617 against Ohio in 1985. **Josh Harris** became the second Falcon QB to throw for 400 yards in a game when he completed 30 of 47 passes for 402 yards and three TD's. All were career-bests for the sophomore who was making his fourth start of his career. Harris also rushed for 96 yards and two TD's and caught a 14-yard TD pass from Magner to boot. His 498 yards of total offense breaks the old school record of 471 set by Birain McClure against Ohio in 1985 Harris' total of 498 yards of total offense is the second highest in the history of the MAC. Jose Davis of Kent State had 534 yards in a 1997 game against Central Florida. His 6 TD's that he was responsible for (3 passing, 2 rushing, 1 receiving) is the third highest single-game output in MAC history and most for a Falcon since Erik White accounted for 7 against Ball State in 1994. Harris' 402 yards passing was the fourth highest single-game total in BGSU history.

The Falcons became the first MAC school to defeat three schools from BCS conferences (Missouri, Big 12), (Temple, Big East), and (Northwestern, Big Ten) in a regular season.

Chad Long had a career-best two interceptions and now has five in his career. Robert Redd had a career-best 12 receptions. He had 168 yards receiving, his second plus-100 yard effort of the season and fifth of his career. David Bautista had a career-best 155 receiving yards and 10 receptions. It was his fifth 100-plus yard receiving effort and first this season. Redd and Bautista are the first Falcon receiving pair to eclipse the century mark since Kurt Gerling and Aaron Alexander had 183 and 105 yards respectively against Akron in 1999. Chris Haneline had a career-high 18 tackles. Khary Campbell also had a career-best 15 tackles. The Falcons finished with a 4-2 record on the road, their best since going 5-1 in 1994. BGSU rallied from a second half deficit for the third time this season on the road (at Missouri, at Akron, and at Northwestern). This was the Falcons first win against a Big Ten opponent since Don Nehlen's 1972 Falcons defeated Purdue, 17-14. The win also snapped an eight-game losing streak at Big Ten facilities.

Haneline had a forced fumble at the one-yard line which was recovered by **Janssen Patton** ending a Wildcat scoring drive in the third quarter. It was Haneline's second forced fumble this season. **Karl Rose** forced the game-winning fumble which was recovered by **Ryan Wingrove** with 1:35 remaining. The turnover led to the game-winning drive.

Sophomore quarterback **Josh Harris** won his third straight start and fourth this season. He notched a career high four TD passes (including a career-best 63-yarder to **Robert Redd**) and was 17 of 28 for 268 yards passing . He also rushed for 117 yards on 22 carries and two TD's.

Junior wide receiver Robert Redd set a school record with 72 receptions this season. He breaks the old mark of 70 set by Mark Dowdell in 1983. Redd also became the first Falcon to score 10 or more touchdowns in a season since Bernard White had 19 in 1985. He also is the first non-kicker to lead BGSU in scoring since Courtney Davis in 1996.

Redd had six catches for 127 yards and two TD's It was his third 100-plus yard effort of the season.

Senior **Kurt Gerling** finished his regular season career with receptions in 41 straight games. He ranks fourth in BGSU history in receptions (152) and seventh in yards (2,191). His 18 TD catches ranks in a tie for third with Mark Szlachcic and Jeff Groth.

Junior **Alex Glantzis** had his first career interceptions, a 16-yard TD effort. It was the Falcons sixth non-offensive TD of the season.

Senior Khary Campbell had his second career interception.

BGSU FOOTBALL HISTORY

Since Frederick G. Beyerman, an instructor in the physical education department and first athletic director, announced in July, 1919 that Bowling Green State Normal College would field an intercollegiate football team, a rich tradition has developed.

From that very first team, to the first squad to go unbeaten in 1928, to the first perfect record of the 1959 national college division champions, to, most recently, the nation's top turnaround in 2001.

From former head coach Warren Steller, to Max Minnich, the first BGSU player to be drafted by a professional team, to Fred Durig, the first All-America selection, to legendary head coach Doyt Perry, to Paul Miles, the only football player ever to have his jersey retired, to Dave Preston, the career rushing leader, to record-setting quarterback Brian McClure, to new head coach Urban Meyer.

The Bowling Green State University football program has a tradition as rich as any in the Mid-American Conference, and many programs nationally.

Since 19 of the 30 males enrolled at Normal College banded together to form that first team, many different people, players, and games have combined to mold the lore of football at Bowling Green State University.

The following paragraphs will touch on many of the people and games which carved the Falcon football history.

The program got off to a rocky start losing its first seven games played.

Franklin Skibbie scored the first touchdown with BG's only points in the 10-6 loss to Findlay in the 1920 season opener.

That team would post a 7-0 win over Kent State Normal College (Kent State) in the season finale to record the first win.

The 1921 squad was the first to win a conference title capturing the Northwest Conference championship with wins over Defiance, Findlay, and Toledo. BG posted a shutout of Findlay, scoring a school-record 151 points in one of the most talked-about games in school history. In the season opener against Kent State, played behind what is now Ridge Street School, the Falcons played possibly the quietest game in school history when all fans were prohibited from making noise because of an illness in the neighborhood.

The following season, BG held its first homecoming game on Nov. 4, 1922, which was played at the Fairgrounds. Bowling Green and Toledo battled to a 6-6 deadlock.

A band made its first appearance at a BGSU football game in 1923 under the direction of E.C. Powell. After having a different coach in each of its first five seasons, Warren Steller was selected to coach the 1924 squad, the beginning of a very successful 11-year tenure, the second-longest in school history. Steller was the first BGSU head coach to have an assistant when Paul Landis was hired in 1925.

Led by Chet Chapman, the first BG player to earn First Team All-Ohio honors, the 1928 team posted the first unbeaten record while allowing just 18 points in seven games.

Wide receiver Robert Redd caught two fourthquarter TDs, including the game-winner with 36 seconds remaining in the Falcons 43-42 "Windy City" Bowl win over defending Big Ten champion Northwestern In Evanston, Illinois, November 17, 2001. The win marked a historic milestone for the MAC as BGSU became the first team in league history to post regular season wins over schools from BCS conferences. The Falcons had earlier defeated Missouri (Big 12) and Temple (Big East). Redd had 12 catches for 168 yards in a game that was not even on the original 2001 schedule. contest was a late season replacement for a game at South Carolina which was cancelled due to the Sept. 11. 2001 attack on America.

In 1936, the federal government offered to help Bowling Green financially in the construction of a new football stadium and the Trustees accepted the offer. University Stadium was dedicated on October 23, 1937 and

served as the home of Falcon football until 1966 when Doyt L. Perry Stadium was built. University Stadium was located in what is now the center of campus directly west of Jerome Library.

After playing mostly "local" teams previously in its history, the 1940 team made the longest trip in school history to that time to play Eastern Kentucky, a trip of approximately 400 miles.

In 1941, Robert Whittaker was named the head coach at Bowling Green after compiling an 11-year record of 89-19-2 at Sandusky High School. Whittaker's first of his 14 teams (the longest tenure in school history) tied Case Western Reserve for the Ohio Conference title and was thought to be one of the best teams ever, scoring 173 while allowing just 40.

After back-to-back losing seasons in 1953 and 1954, Doyt Perry began his legendary career as the Falcon head coach in 1955 and made an immediate impact. BG posted a 7-1-1 record, scoring 224 points while allowing only 53. This came on the heels of a 2-7 record the previous seasons

son.

Perry, whose teams never lost more than two games in any of his 10 seasons, led his 1959 squad to the first perfect record in school history at 9-0-0. In the process, the Falcons were named the mythical small college national champions by the Washington, D.C. Touchdown Club. BG's closest game that season was a Mid-American Conference victory at Ohio University by a 13-9 count to wrap up the perfect season and national honor.

The following season, BG came within one game of repeating as national champions losing only a 14-7 decision to Ohio University at home as the Bobcats claimed top national honors.

In 1961, Bowling Green played in its first bowl game, the Mercy Bowl at the Los Angeles Coliseum. The game against Fresno State was played to raise money to help defray the expenses of the families of 16 members of the Cal Poly San Luis Obispo football team who perished in a plane crash shortly after takeoff from Toledo Express Airport after a 1960 game against

One of the most significant wins in school history was the 17-13 victory over 18th-ranked Purdue in 1972. A fourth quarter field goal by Don Taylor was the difference for Coach Don Nehlen and his Falcons.

BG. The game netted \$170,000 for the memorial fund.

The arrival of a skinny, muchheralded quarterback from Ravenna, Ohio in 1982 signaled the beginning of an 11-year period in which the Falcons would make four bowl appearances.

The quarterback was Brian McClure and all he would do in the next four seasons was lead the Falcons to a 34-12 record, a 19-1 record at home, two bowl games, and become only the second quarterback in NCAA history to pass for over 10,000 yards.

He became the starter in the third game of his freshman season, and despite missing the last two games of the regular season, he became the first freshman to be named the first team all-league quarterback.

He would rewrite the BG and MAC record books before his career was over, setting five NCAA records as well. McClure still holds numerous school and MAC records.

In 1991, Gary Blackney was tabbed as the 14th head football coach, and much like the arrival of McClure, he made an immediate impact on the program.

In his first season, he took a team which compiled a 3-5-2 mark the previous season and molded them into an 11-1 squad, going undefeated in the MAC while winning the program's first bowl game.

Brian McClure is one of only two players in MAC history to earn league MVP honors twice.

Joe Alls rushed for 107 yards and the game-winning touchdown in the Falcons 20-13 win at Missouri on September 1, 2001.

BGSU FOOTBALL HISTORY

The following season was more of the same as the Falcons were again perfect in league play and a win over Nevada in the first Las Vegas Bowl made it back-to-back bowl victories.

The 1993 squad would extend the conference winning streak to a league-record 19 games while going unbeaten in the first 22 MAC games of Blackney's tenure

Urban Meyer took over the reins of the Falcon program in 2001 and engineered the top turnaround in Division IA. The Falcons opened the Meyer era with an impressive road win at Missouri and followed that up with wins over Buffalo and Temple, surpassing their victory total of the previous year.

BGSU posted its first winning season since 1994 when it reeled off three straight wins to end the season. The Falcons 43-42 victory at Northwestern made them the first MAC team to ever defeat three teams from BCS conferences in a single season.

The Falcons ended the season six-days later with a 56-21 pasting of MAC Champion Toledo.

Meyer's impact was more than on the field, it also showed in the stands. Attendance doubled and the Falcons student body showed up in record numbers.

The 2002 team will look to add another chapter to the BGSU football storybook.

Paul Miles is second on the BG career rushing list with 3,238 yards while he is also the only football player to have his number retired. At the time of his graduation, he was only the third running back in NCAA history to rush for 1,000 yards in three consecutive seasons. The Mid-American Conference title won by the 1991 team was the first of two consecutive championships. The 1991 team won all eight of its MAC games, the first of what would turn into a league-record 19-game winning streak.

John Gibson scores a touchdown in BGSU's 56-21 victory over Toledo in 2001. Bowling Green now has a 35-27-4 edge in the series. The 56 points scored by the Falcons was the most ever scored in the series by BGSU.

Erik White was the Las Vegas Bowl MVP in 1992.

Phil Villapiano is one of the top defensive players in BGSU history.

In a one-time game to help defray the expenses (burial and medical) of families of the 16 members of the Cal Poly San Luis Obispo football team who perished in a plane crash, Oct. 29, 1960, shortly after takeoff from Toledo Express Airport, Bowling Green and Fresno State, the undefeated champion of the California Collegiate Athletic Association, met at the historic Los Angeles Memorial Coliseum.

Playing before its largest crowd in school history, the Falcons, sixpoint favorites, were guilty, uncharacteristically, of six turnovers, which was the difference in the game.

BG's defense, which was ranked fourth in the nation, yielded 468 yards, 196 more than it had given up to any opponent during the season.

Quarterbacks Beau Carter and Jon Anabo were thorns in BG's side all day passing for 368 yards and two touchdowns. Carter ran for two scores, also.

BG scored its only points early in the second stanza on the two-yard run by Ray Bell which was set up on a long pass play between Larry Smith and quarterback Jim Potts.

BG fumbled on its next two possessions with FSU turning the second miscue into a touchdown on a long pass play. Bowling Green did have a pass dropped in the end zone as the first half ended which would have given them the lead.

Fresno State then scored 1:44 apart midway through the third period to put the game away, the second score set up by a fumbled snap on an attempted punt.

The contest netted \$170,000 for the memorial fund which aided the survivors and the relatives of the victims of the plane crash. Cal Poly SLO had played at Bowling Green the afternoon before the crash.

After a full week of events leading up to the meeting with the Pacific Coast Athletic Association champion Fresno State, the Falcons entered the game against the Bulldogs a two-touchdown underdog.

The Falcons also had to contend with a partisan sea of red squeezed into Bulldog Stadium, the home of Fresno State.

But, the Falcons drew first blood converting a Jac Tomasello interception on the final play of the first quarter into the first touchdown of the game, a Chip Otten four-yard run capping a 48-yard drive. The Falcons took a 14-0 lead to the locker room after driving 73 yards on their next possession. Sophomore quarterback Brian McClure con-

nected with John Meek on the scoring play.

BG looked to be in the driver's seat after McClure connected with Shawn Potts from five yards out in the third stanza. But, Fresno State answered BG's score with their first of the contest later in the quarter.

Bowling Green came right back as Potts picked up a fumble by receiver Greg Taylor at the five-yard line and ran it in to put the Falcons back up by three touchdowns.

With Fresno State pinned back on its own 20-yard line and facing a third-and-ten, a Falcon stop might have put the final nail in the Fresno State coffin. But, FSU gained 15 yards on the third-down play and the comeback was on.

With future NFL receiver Stephone Paige running and catching a pass for a touchdown, FSU closed to within six points with three minutes left. BG used up just 1:05 of the clock on its next possession and FSU moved 45 yards in eight plays with Jeff Tedford finding Vince Wesson over the middle with 11 seconds left. Scott Darrow's PAT was the deciding point.

BG gained just 26 yards on nine plays in the fourth quarter while FSU gained 220 of its 453 yards in the final 15 minutes.

This third quarter fumble recovery by Stu Tolle set up the third Falcon touchdown giving the Falcons a 21-0 lead over Fresno State in the 1982 California Bowl.

The tone for what was expected to be one of the most evenly-matched California Bowls, came earlier in the week when BGSU head coach Denny Stolz told the team before their Wednesday practice he would be leaving after the bowl game to accept the head coaching job at San Diego State.

An indication of what was ahead for the Falcons in the game came early in the first quarter when, trailing 7-0, they drove to the Bulldog one-yard line where they fumbled the ball away in the end zone, the first of five on the day and the same number they had committed in the first 11 games of the season. Fresno State would score the next 37 points before BG would hit paydirt.

Wide receiver Mark Szlachcic (#84) had 11 receptions, two for touchdowns, for a school-record 189 yards in the 1991 California Bowl.

Not even being a double-digit underdog against Fresno State could keep the Falcons from completing its storybook season under firstyear head coach Gary Blackney.

And the script for this game was all Hollywood.

The first quarter would have led the fans to believe it might take 40 or 50 points to win the game as the Falcons scored touchdowns on their first two possessions and the Bulldogs would get one of those back before the quarter was over.

The scoring continued early in the second stanza as BG's Erik White and Mark Szlachcic hooked up for a second time. But, FSU came right back on their next possession with Anthony Daigle running 57 yards to cut the deficit in half going to the lockerroom.

The defenses took over in the third quarter, each allowing just 65 yards total offense. Late in the quarter, FSU placekicker Derek Mahoney missed a 26-yard field goal, the most significant scoring opportunity of the quarter.

BG scored early in the final stanza moving 80 yards after the missed field goal to build another 14-point lead.

FSU came right back to score driving 71 yards as quarterback Mark Barsotti completed five-of-six passes, connecting with tight end Marty Thompson from five yards out.

After three changes of possession, FSU started the final drive of the game from their one-yard line, after an interception, with 2:29 remaining.

FSU used its last time out with 24 seconds left and the Bulldogs just nine yards away from the needed touchdown. After a running play for six yards and two incomplete passes, the final play of the game would determine the outcome with three seconds left.

The BG defense rose to the occasion covering all FSU receivers and Barsotti threw incomplete with BG linebacker Kevin O'Brien pressuring. It was BG's first bowl win.

BG won its 11th game making Blackney one of only three coaches in NCAA history to win 11 games in their first season as a head coach.

In the inaugural Las Vegas Bowl, which replaced the California Bowl, the Falcons faced the high-powered offense of the University of Nevada.

In a game in which the punting game took center stage, the Falcons won the first half and Nevada the second half, but a late BG touchdown proved to be the difference.

The Falcons scored on their first four possessions to grab a 28-3 halftime lead. BG had 267 first-half yards to just 116 for the Wolfpack as they had an 18-6 edge in first downs.

In the second half, it was Nevada quarterback Chris Vargas' turn. He had engineered six Nevada comeback victories in three years coming off the bench, including an NCAA-record 35-point comeback against Weber State.

Nevada scored three touchdowns in the third quarter with punts of five and seven yards by BG setting up the first two scores. The Wolfpack's third score was set up by a high snap from center on a BG punt.

Nevada finally took the lead with 12:41 left in the game and looked to possibly put the game away with a field goal with 7:13 left, ending their run of 31 unanswered points.

Bowling Green then moved to the Nevada six-yard line before turning the ball over on downs. After holding the Wolfpack to one first down, Nevada punter Steve Lester had the center snap go through his hands setting up the Falcons at the Wolfpack 15-yard line with 1:45 remaining.

A 12-yard Erik White to Mark Szlachcic connection on first down put the Falcons on the three-yard line. After two runs and a pass did not net any yardage, White found Dave Hankins alone in the back of the end zone on fourth down with 22 seconds left. Placekicker Brian Leaver made the PAT for the winning points and BG's second consecutive bowl win.

Zeb Jackson gave BGSU a 28-7 lead against Nevada.

DOYT L. PERRY

1988 College Football Hall of Fame Inductee

The year 1988 will be fondly remembered by many who are associated with the football program at BGSU. That year Doyt L. Perry, a former player, coach and administrator was recognized by the National Football Foundation with its top honor, induction into the College Football Hall of Fame.

Perry traveled to New York in December of 1988 for the Foundation's Hall of Fame dinner and was officially enshrined into the College Football Hall of Fame in June, 1989, in ceremonies held at Kings Island, Ohio.

Perry's association with BGSU dates back to the 1920s when he lettered nine times in three sports (football, basketball and baseball). The Croton, Ohio native received his degree in 1932. He began coaching on the high school level before becoming an assistant at Ohio State in 1951.

Perry returned to his alma mater in 1955, leading the football program to a 77-11-5 (.855) record over the next 11 years. His teams won five Mid-American Conference titles and one national college division championship in 1959. Perry's winning percentage ranks fifth on the all-time NCAA list.

Perry, who retired from coaching in 1964 to become BGSU's athletic director, developed such outstanding coaches as Bill Mallory, Don Nehlen, Larry Smith, and the late Dave McClain. Many more of Perry's former assistants and players have gone on to enjoy success in the coaching profession.

Perry passed away in February of 1992. At his memorial service former Michigan coach Bo Schembechler, an assistant on Perry's 1955 staff, said, "I don't believe I can name a coach, anywhere, anytime, anyhow, who did it better than Doyt Perry."

A documentary on Perry's career was released in May of 1998. It was produced by WBGU-TV.

SPIRIT AND TRADITION

WHY ORANGE AND BROWN

Orange and brown have been the school colors at Bowling Green State University since 1914, the first year of classes. Legend has it that Leon Winslow, an industrial arts faculty member, got the idea from watching a women's hat on a bus to nearby Toledo, Ohio. He liked the brown and orange color combination. So, too, did former Cleveland Browns' head coach Paul Brown. Following a trip to BGSU in the 1940s, Brown used the colors for his All-America Conference team.

ALMA MATER

Alma Mater hear us,
As we praise thy name
Make us worthy sons and daughters
Adding to thy fame.

Time will treat you kindly Years from now you'll be Ever dearer in our hearts, Our University.

From your halls of ivy
To the campus scene,
Chimes ring out with gladness
From our dear Bowling Green.

When all is just a mem'ry
Of the by-gone days,
Hear our hymn dear Alma Mater
As thy name we praise.

FIGHT SONG

Forward Falcons, Forward Falcons Fight for victory, Show your spirit, make them fear it Fight for 'ol Bee Gee.

Forward Falcons, Forward Falcons Make the contest keen, Shout out the fame of our mighty name And win for Bowling Green!

AY ZIGGY ZOOMBA

Ay Ziggy Zoomba Zoomba Zoomba Ay Ziggy Zoomba Zoomba Ze Ay Ziggy Zoomba Zoomba Zoomba Ay Ziggy Zoomba Zoomba Zi Roll along you BG warriors Roll along and win for BGSU

Ay Ziggy Zoomba is Bowling Green's unofficial fight song. Gil Fox, an Air Force bombadier in World War II stationed in Italy, brought a loose translation of a Zulu war chant back with him, and since its introduction in 1946 to a campus spirit assembly, it has kept its place in BGSU history. The Falcon football team traditionally sings "Ay Ziggy Zoomba" after each victory.

RETIRED JERSEY

The only football jersey ever retired at Bowling Green is #29. It was worn by Paul Miles from 1971-73. Miles rushed for 3,239 yards and 25 touchdowns in his career and was a three-time first team All-MAC selection. He was just the third back in NCAA history to rush for 1,000 or more yards in three consecutive seasons

FRIEDA & FREDDIE FALCON

Frieda and Freddie Falcon are the official mascots of the Bowling Green Falcons. Together with the BGSU cheerleaders, Frieda and Freddie boost spirit at intercollegiate athletic events. Tryouts are held each spring, and winners remain anonymous to the student body until each is "beheaded" at the last home basketball and hockey game. The Freddie Falcon tradition began in 1950 while Frieda Falcon was added for the 1979-80 athletic year.

WHY THE FALCONS?

The 2002-2003 athletic year marks the 76th anniversary of Bowling Green's nickname, Falcons. Before 1927, BG teams were called the Normals or Teachers. Ivan Lake '23 suggested the nickname after reading an article on falconry. Lake, managing editor and sports editor of the Sentinel Tribune in Bowling Green at the time, proposed the name change because it fit headline space and because falcons were "the most powerful bird for their size and often attacked birds two or three times their size."

PEACE PIPE AWARD

The Peace Pipe is a traveling award that goes to the winner of the annual gridiron battle between Bowling Green and Toledo. The Peace Pipe tradition actually began on the basketball court during the 1947-48 season. At that time, the teams exchanged a six-foot long wooden peace pipe. The original basketball Peace Pipe disappeared, so, in 1980, the Peace Pipe was reinstated for football with former UT football player Frank Kralik creating the present trophy. Today's Peace Pipe is a smaller version of the original pipe, resting atop a trophy. Bowling Green now has a 35-27-4 edge in the series.

ANNIVERSARY AWARD

The Anniversary Award is a traveling award that goes to the winner of the football game between Bowling Green and Kent State. Established in 1985 by the respective alumni departments at BGSU and KSU, the Anniversary Award commemorates the founding of BGSU and KSU in the year 1910. BG defeated KSU 24-7 last year and leads the all-time series with its "sister school," 49-15-6. BGSU and KSU square-off on November 2 this season. KSU, which has been BG's opponent in more football games than any other, 70 contests, has won the award only three times (1988, 1997 and 1999) in the last 15 years. Bowling Green has won 25 of the last 28 meetings between the two schools.

Permanent lights helped BGSU double its home attendance in 2001. The Falcons averaged 25,000 fans in the month of November.

Doyt L. Perry Stadium, with its 30,599 seating capacity, is celebrating its 37th year as the home of Bowling Green State University football. Last year, permanent lighting was installed at the venue and home attendance doubled.

Built in 1966 for approximately \$3 million as a replacement for the 43-year-old University Stadium, Perry Stadium had a capacity of 23,272 until bleacher seats were installed in both end zones in 1982. This season will mark the first with permanent lighting. One of the largest and most attractive athletic facilities in the Mid-American Conference, Perry Stadium set the conference record for single-game attendance.

On October 8, 1983, a huge crowd of 33,527 packed into Perry Stadium for the annual Northwest Ohio rivalry between Bowling Green and Toledo, establishing a school and MAC record for single-game attendance. The Falcons went on to set a season record, breaking the six-digit figure for five games with a total draw of 100,021. It marked the first time in history that Bowling Green averaged more than 20,000 fans for five home football games.

That figure was topped in 1985, when Bowling Green posted a perfect record (11-0) in the regular season and clinched the MAC Championship by shutting out Toledo at Perry Stadium in November. More than 28,000 fans turned out that day, raising Bowling Green's season attendance to an all-time high 112,110, an average of 22,422.

In 1994, BG fans bettered the mark of 1985 as 114,802 fans, an average of 22,960, attended the five home games.

Perry Stadium is more than just a football facility. The east side of the stadium includes locker rooms, equipment and training rooms, along with the Athletic Department offices. The west side received a face-lift 12 years ago. A physical fitness center/ weight room opened its doors to all intercollegiate athletic teams in the summer of 1988.

Also situated on the west side of Perry Stadium are the Falcon Club offices and clubhouse, the men's and women's soccer and track and cross country offices, as well as maintenance and storage areas.

Sitting atop the press box on the west side of the stadium is the plush Stadium Club. Now in its 20th year of operation, the Stadium Club's 106 theatre-type seats, which are all sold, provide loyal BGSU fans with the best view of the game. The

President's Box, located at the top of the east side of the stadium, provides luxury seating for President Sidney Ribeau, his guests, and other supporters of Falcon football.

The construction of elevators on both sides of the stadium, completed in early 1998, has made the stadium more accessible for all fans. Renovations to all boxes on both sides and the stadium club have taken place over the last few years making for a more "fan-friendly" atmosphere. Bowling Green won the first game ever played in Perry Stadium, defeating Dayton, 13-0, on October 1, 1966. Since that time, the Falcons have won over 67 percent of their home games, compiling a 114-57-6 record in the 177 games played at Perry Stadium.

In the event that a BGSU player does not hold a record, the top Falcon performance is also listed.

Over the last 19 seasons, Bowling Green is 70-24-4 at home for a .734 winning percentage.

Perry Stadium is named in honor of the man who led Bowling Green to a 77-11-5 record in his 10 years as the head coach of the Falcons. Doyt L. Perry was simply one of the greatest football coaches of his day. His .855 winning percentage over 10 seasons in the 1950s and 1960s remains one of the highest in football history. In fact, Perry is fifth all-time behind Bob Reade (Augustana), Knute Rockne (Notre Dame), Frank Leahy (Notre Dame), and Larry Kehres centage among coaches with at former Athletic Director Jack Gregory. least 10 years of service on the collegiate level. Perry served as the BGSU athletic director for seven years (1965-71) after stepping down as football coach.

The football facility at BGSU was formally dedicated as Doyt L. Perry Stadium on Sept. 26, 1992. Present for the ceremony were (I-r) Perry's children D.L., Judy Perry McClain, David and Doyt's wife Loretta. They are joined by John Mahaney, former (Mount Union) in winning per-president of the Board of Trustees, former University President Paul J. Olscamp and

THE ADMINISTRATION

A

UNIVERSITY ADMINISTRATION

DR. SIDNEY A. RIBEAU PRESIDENT

Since becoming Bowling Green's ninth president seven years ago, Dr. Sidney A. Ribeau has worked to mobilize faculty, staff and students in realizing a new vision for the University. That vision is to make BGSU "the premier learning community" in Ohio and one of the best in the nation.

"Everyone's participation is needed in order for us to define the nature of the community that we want to become and to contribute to the shaping of our common future. We can accomplish a great deal by creating an environment in which people trust each other and work together in a collaborative

manner," Dr. Ribeau told the University community when he arrived.

This collaborative style, one that emphasizes the value everyone brings to the team, is the hallmark of his and the University's recent successes.

Using a systems approach to management, the president has mobilized people around issues vital to the lifeblood of the institution, evidenced by the creation of groups such as the Universitywide enrollment-management team. The team has developed successful long-range recruitment and retention plans featuring a variety of programs designed to assist first-year students in adjusting to college life. In 1999-2000, about half of all first-year students participated in one of those programs designed to ease new students' transition into college.

With these successful enrollment initiatives have come opportunities to hire new faculty and staff and to make \$90 million in capital improvements on campus, including an ongoing \$34 million project to renovate and enlarge the Student Union. There also have been significant gains in annual giving to the University during the past five years. For the 2000-01 fiscal year, total giving to BGSU surpassed \$10 million, including nearly \$5 million in annual giving and slightly more than \$2 million in bequests.

Academic programs have also been strengthened under Dr. Ribeau's leadership. Some, such as industrial/organizational psychology, higher education and student affairs, broadcast journalism, philosophy and chemistry, are nationally ranked. The University this year (2001) added a master's degree program in criminal justice, filling a need for such a program in northwest Ohio, and the year-old MFA program in computer art further strengthens the University's computer art program. With over 175 students in the major and state-of-the art equipment, BGSU has become one of the leading programs in the nation for studying computer art and animation.

"Our success is due to the president's vision. He identified the demand for this field of study and put resources into a program that can be and is successful," said Bonnie Mitchell, assistant professor in the School of Art and an expert in computer art.

Dr. Ribeau's ability to inspire people, set attainable goals and provide leadership extends to helping others in the University community learn these same skills. The President's Lecture Series, which focuses on student leadership development, and the President's Leadership Academy, a leadership development program for select students, both have been created through his efforts.

Not content with nurturing academic success alone, Dr. Ribeau has made values education a cornerstone of life at BGSU. His agenda for the University is to create a "principled community" of concerned citizens who will use their strong moral ethics in school and, later, in their professional and personal lives to help further the country's democracy. This means infusing the campus culture with the University's core values, making explicit in basic curricula those values, and modeling those beliefs in everyday life by faculty and staff alike.

An important aspect of ethical leadership, Dr. Ribeau believes, is that the University not be perceived as the proverbial "ivory tower," but that it be an engaged university-engaged with the community, with the schools and with businesses to help all citizens achieve success in life. Two of his initiatives in this regard are the Center for Transformative Education and BGSU Partnerships for Community Action. Both organizations are predicated on the belief that the University must act in collaboration with school and community partners, drawing upon available knowledge and wisdom, to effect positive change.

The president also leads by listening. Frequently he meets with student and faculty groups, alumni and community leaders, legislators and other government officials.

Dr. Ribeau is especially popular with students. "At most universities the students don't even know the name of the president, but here everyone knows Dr. Ribeau. We can feel the conviction in his voice when he talks about his vision. He doesn't lecture us; he listens. He has given us something to believe in," said Rebecca Nieto, a 2001 graduate from Paulding, Ohio, who was active in student governance.

Dr. Ribeau also has had a key role in promoting diversity issues in higher education. In addition to championing diversity initiatives at BGSU, he has participated in former President Clinton's nationwide dialogue on race relations. A staunch advocate for developing in students "good hearts as well as able brains," Dr. Ribeau has served on the faculty for the National Institute on College Student Values and is on the advisory board of the new electronic "Journal on College and Character."

He has also served as a guest leader at the LeaderShape Institute, the flagship program of LeaderShape Inc., a nonprofit organization committed to developing young adults who will lead with integrity. He was a contributor to Leadership Inc.'s Visions and Values 2000, which offers a series of essays focusing on values, vision and leadership, and is a regular contributor to area newspapers in the opinion-editorial pages on issues in higher education.

A recognized advocate of higher education at state and national levels, Dr. Ribeau is a member of the State Funding Commission for Higher Education, the American Council on Education (ACE) Fellows Selection Committee, and the ACE Commission on Leadership and Advisory Council. He is involved in the American Association of State Colleges and Universities (AASCU) and the National Association of State Universities and Land Grant Colleges (NASULGC).

The president is an expert in intercultural communication, African-American culture, relational communication, public discourse and race relations. His recent publications include "Preparing Our Students for the New Millennium" in Diversity Exchange, a magazine of Florida International University, and a research article on the advancement of African-American senior administrators at predominantly white institutions, currently in press with Negro Education Review.

Raised in Detroit, Dr. Ribeau received his bachelor's degree from Wayne State University in 1971. In 1996 WSU honored him with a Distinguished Alumnus Award. He earned master's and doctoral degrees in interpersonal communication from the University of Illinois, Urbana-Champaign, in 1973 and 1979, respectively.

He began his teaching career in 1976 as a professor of communication studies at California State University, Los Angeles. Eight years later, after being honored as an outstanding teacher and student adviser, he was named chair of the university's Pan African Studies Department. He held that position until 1987, when he was named dean of undergraduate studies at California State University, San Bernardino. Three years later, he became dean of the College of Liberal Arts at Cal Poly's San Luis Obispo campus. In 1992 he was named vice president for academic affairs at Cal Poly Pomona, a position he held until coming to Bowling Green.

A firm believer in University-community involvement, Ribeau is a member of the chambers of commerce for both Bowling Green and Toledo and serves on the boards of United Way, the Greater Toledo Urban League, the Toledo Symphony Orchestra, the Andersons Inc., a Maumee, Ohio-based grain merchandising firm, and Worthington Industries.

In 1978, he enrolled in the college student services administration doctoral program at Oregon State University. He received his doctorate in 1981 and his first student affairs position was Greek affairs coordinator at Iowa State University, where he supervised the activities of 48 fraternity and sorority chapters.

In 1982, he was named associate dean of students and assistant professor of education and a member of the graduate faculty at Texas Tech University. In 1985, he became dean of students at the University of Alabama-Tuscaloosa, and taught in the Department of English.

Prior to coming to Bowling Green, Dr. Whipple was vice president for student affairs at Montana State University - Billings, and that institution's first vice president for student affairs. At that institution he was given the challenge of reorganizing the student affairs area at Montana State, a university of 3,800 students. In addition to managing the student affairs program, Dr. Whipple was also an associate professor and taught courses in both the School of Liberal Arts (English literature) and the School of Education (teacher preparation) while at Montana State.

He has held leadership positions at the regional level in the National Association of Student Personnel Administrators (NASPA). Dr. Whipple is the parent of a 15-year-old son, John. He resides in Bowling Green.

UNIVERSITY ADMINISTRATION

PAUL KREBS DIRECTOR OF ATHLETICS

Paul Krebs was named the 11th athletic director at Bowling Green State University on March 15, 1999.

Krebs leads one of only 13 programs which sponsor Division IA football, men's and women's basketball and men's ice hockey. This past year, the Falcons enjoyed tremendous success finishing as one of six schools in the country to win at least eight Division IA football games and 24 men's basketball games. With the top turnaround in Division IA football (a six-game improvement), BGSU

athletics also enjoyed success at the turnstiles with football attendance doubling this past season. Interest in men's basketball also has never been higher with BGSU and Kent State setting a MAC Tournament Championship game attendance record this past March in Cleveland's Gund Arena.

He has helped bring head coaching salaries in-line with other peer institutions and has been praised for identifying and hiring dynamic, young coaches, and retaining some of the most respected coaches in their sports, who look to lead the Falcons into the new century. One of Krebs' first tasks was to maximize the department's revenue opportunities. He has been instrumental in creating a partnership with CAVS/Gund Arena properties in Cleveland to market BGSU athletics on a full-time basis. This arrangement is the first of its kind in the MAC and already has paid dividends. Last year, BGSU increased the reach of its television coaches shows by aligning itself with Fox Sports Ohio, the only school in the MAC to do so.

Krebs also fostered a relationship with ESPN Regional television which has seen BGSU make 16 appearances in football and men's basketball, including the Falcons' first national television appearance in football since 1992.

Under his direction, BGSU athletics now manages all of its radio and television sponsorship in-house and manages its own website with OCSN (formerly the FansOnly Network) and oversees the University's licensing program.

He also has helped lead the charge to improve facilities including the installation of permanent lighting at Doyt Perry Stadium in August, 2001, the renovation of the locker rooms and new offices at the BGSU Ice Arena, and new bleachers and a press box at Warren Steller baseball field and a new infield and warning track at the school's softball facility.

Nationally, Krebs is a faculty member for the Division I-A Athletic Director's Institute. He also has been chosen to serve on the Games Committee for the National Association of Collegiate Directors of Athletics (NACDA), 2002 Pigskin Classic.

At the Mid-American Conference level, Krebs has served for three years on the Infractions Committee and also is the chair of the MAC Baseball committee.

Krebs is a member of the BGSU President's Advisory Council, Student Affairs Executive Council, Homecoming Committee and served as chair of Student Affairs' Training and Development.

Krebs is involved locally as a member of the Exchange Club of Bowling Green and as a member of the Board of Directors of the American Red Cross Blood Services of Northwest Ohio. He also is a member of the Bowling Green Presbyterian Church.

Before coming to BGSU, Krebs had served as the senior associate athletic director at The Ohio State University since September of 1993.

In that capacity, he managed the daily operation of the department and coordinated and provided oversight for the departments \$58 million budget, directed its long-range financial planning and budget oversight/reporting programs. He was the department's main liaison when dealing with engineers, architects, and financial planning committees.

In addition to overseeing the ticket office, athletic business office, information systems, facility operations and maintenance areas, he was the point person in the planning and design of Ohio State's \$105 million Jerome Schottenstein Center, the \$150 million renovation of storied Ohio Stadium, the Jesse Owens Stadium, and the \$5 million Bill Davis Stadium for baseball. He was also actively involved in fund-raising and securing corporate sponsorship for the new facilities.

He also served as meet director for the NCAA Div. I Golf Championships in 1987 and 1995 and the regional championships in 1993.

He went to Ohio State in 1985 as the ticket director and quickly implemented a new computer program that streamlined the ticket office while improving efficiency. He was named assistant athletic director in 1987. In 1991, he was promoted to assistant athletic director for administration, a position he held until 1993.

He began his professional career as the assistant ticket director at Oklahoma in 1981 before being promoted to the ticket director in 1983, a position he held for two years before going to Ohio State

Paul and his wife, Marjori, an instructor in the college of Education, have two children, a daughter, Taylor, 13, and a son, Jacob, 9. The Canfield, Ohio, native earned a bachelor's degree in business from BGSU in 1978 and a master's degree in athletic administration at Ohio State in 1981.

One of Paul Krebs' many accomplishments in his tenure was seeing **BGSU** finish as one of six Division I-A schools to win eight games in football and 24 in men's basketball.
